

HOW TO MEASURE FOR DOLL HEAD CONNECTORS

(Head and Limb Connectors, Screwgles)

Measure the diameter of the hole in your doll's head, arm or leg. The screwgle size for that hole will fit perfectly. All you need to do is screw it carefully into the hole to attach the limbs or head to the body.

Hole Size	Kemper Code	Size
7/16"	DHC12	12mm
10/16"	DHC17	17mm
3/4"	DHC20	20mm
1"	DHC25	25mm
1 1/8"	DHC28	28mm
1 1/4"	DHC30	30mm
1 7/16"	DHC36	36mm
1 1/2"	DHC28	38mm
1 9/16"	DHC40	40mm
